Call to Order

The meeting was called to order by the Chair, Deborah Turck, at 2:10 pm.

IN ATTENDANCE:

Deborah Turck, Chair

Brian O'Regan, Member

Jennifer Lewis-Fowler, Director of Elections

Provisional Ballot Count

The Chair moved to enter into closed session for the discussion of provisional ballots, according to section 24.2-653 of the Code of Virginia. According to section 24.2-653.01B of the Code of Virginia, the following people are allowed to attend this closed meeting: authorized party representatives, the caster of the provisional ballot and his counsel if any, appropriate staff, and the Board.

The Chair announced to attendees that ballots would be tallied and placed in the voting machine without identifying the voters by name or address to protect the identity of the voter. One provisional voter was present for his/her provisional ballot review. His/her provisional ballot was accepted.

The Director of Elections reported that the State voter verification system identified no double votes of same-day voters in Greene County. All same-day registrations in Greene County were completed correctly. The Director had also reviewed all provisional voters in preparation for the meeting and presented the Board with the results. The accepted provisional votes were then tallied; the totals follow the minutes.

CAP Results

The tallying of CAP votes was conducted per the Code of Virginia: The votes of the Central Absentee Precinct received post-election but mailed by election day ballots, as well as those received during early voting, and those received on election day at the precincts. All absentee ballots were reviewed and acceptable ballots were tallied, including a few which required to be hand-counted. Write-in votes from Stanardsville Town were tallied.

All ballots were duly recorded and placed in the voting machines, and the final totals for the November 8, 2022 Election from all sources were calculated and entered on the proper forms. The election was certified, and official notices completed and signed. See following documentation.

There being no other business, the meeting was adjourned at 5:45 pm.
